

Susheela D. Singh
Guttmacher Institute
125 Maiden Lane, 7th Floor, New York, NY 10038
(212) 248-1111 extension 2264 • ssingh@guttmacher.org

Employment

2004-present	<u>Vice President for International Research</u> , Guttmacher Institute, New York
1997 - 2004:	<u>Director of Research</u> , The Alan Guttmacher Institute, New York.
July 1993 - 1997:	<u>Associate Director of Research</u> , The Alan Guttmacher Institute, New York
July 1988 - July 1993:	<u>Assistant Director of Research</u> , The Alan Guttmacher Institute, New York
January 1985 - June 1988:	<u>Senior Research Associate</u> , The Alan Guttmacher Institute, New York
October - December 1984:	<u>Consultant to the Fertility Section of the United Nations</u> , working on two chapters summarizing World Fertility Survey data on the proximate determinants of fertility, and on marriage patterns, with Dr. Cynthia Lloyd.
January 1981 - September 1984:	World Fertility Survey, International Statistical Institute, London. <u>Research Officer</u> , subsequently promoted to <u>Scientific Associate</u> (end of 1983), in Data Analysis Division. Continued to be Coordinator for surveys in Guyana and Trinidad & Tobago and for Ghana (1982 to date), especially involved in further analysis at national and comparative levels.
February 1978 - December 1980:	<u>Research Associate in Data Collection Division</u> , WFS, International Statistical Institute, London. Coordinator for surveys in Guyana and Trinidad & Tobago (1978 to date) and Jamaica (1978-79). Extensive assistance to developing country staff in data cleaning, recoding and report writing.
1976 - 1977:	<u>Part-time Research Assistant</u> , University of California, Berkeley. Collecting data on the side-effects of the contraceptive pill, and on female labor force participation in developing countries, for Dr. Judith Blake.
1976:	<u>Winter Quarter, Reader for a course on Population and Society</u> , U. of California, Berkeley.
June - August 1975:	<u>Summer Intern</u> , Population Council, New York. - assisting Dr. Geoffrey McNicoll in preparation of monograph on the population of Indonesia.
1975-1976:	Joint Editor, <i>Berkeley Journal of Sociology</i> .

Education

Ph.D., Sociology, University of California, Berkeley, 1977
M.A., Sociology, University of California, Berkeley, 1974
B.A. (Hons), Geography, University of Manitoba, Canada, 1972

Professional Associations

Population Association of America, 1975-present
International Union for the Scientific Study of Population, 1979-present
American Public Health Association, 1985-present

Current Professional Activities

Chair, Committee on Abortion Research, IUSSP, 2011-2016
Advisory role on three UK-DFID Consortium projects, 2010-2015
WHO Human Reproduction Programme, Policy and Coordination Committee, member, 2010-present

Past Professional Activities

Member of the Panel on Adolescent Reproductive Health, IUSSP, 2005-2011
Chair, Panel on Abortion Research, IUSSP, 2006-2010
National Academy of Sciences, Panel on Transitions to Adulthood, 2002-2004
Advisory Group, Global Report Card and Magazine, Countdown 2015/ICPD+10, 2004
Editorial Committee - FOCUS Program
Editorial Board of Population Research and Policy Review
Info Editorial Advisory Committee, Johns Hopkins University, 2003-2007
Technical Advisory Group, Demographic and Health Surveys, Macro International Inc.
Technical Advisory Committee, Adolescent Research Program, Population Council
Member of the Study Section on Population, NIH, 1992-1995
Member of the Committee on Comparative Research on Fertility and Family Planning, IUSSP, 1985-1989
Member of the Committee on Reproductive Health, IUSSP, 2001-2005
Ad-Hoc Reviewer of proposals for: Rockefeller Foundation, Wellcome Foundation, Futures Group

Selected Presentations, advisory meetings

Presented *Adding It Up: The Costs and Benefits of Investing in Sexual and Reproductive Health 2014*, to Advance Family Planning Partners Meeting, March 2015.

Technical Advisory Group meeting for STEP UP Consortium – Nairobi, Kenya, Feb 2015.

Singh S., *Adding It Up: The Costs and Benefits of Investing in Sexual and Reproductive Health 2014* with a focus on South Asia, presented at Research and Advocacy Conference, Islamabad, 2015.

Presented *Adding It Up: The Costs and Benefits of Investing in Sexual and Reproductive Health 2014*, with Ann Starrs, at launch held in London, 4 December, 2014.

IUSSP Seminar on abortion decision making (Chair of Abortion Research Panel, that organized seminar), Nanyuki, Kenya, June 2014.

IUSSP General Conference, South Korea, August 2013.

Women Deliver, May 2013, Kuala Lumpur – Plenary session; other session; press briefing.

Technical input to *Impact Evaluation Design Workshop* for DFID's funded project PMDUP (Preventing Maternal Deaths from Unintended Pregnancy), London, January 25-26, 2011.

Helped organize and was discussant at: IUSSP seminar on *Youth Migration and Transitions to Adulthood in Developing Countries*, held in Rio de Janeiro, Brazil, 8-10 December 2010.

Chair of Abortion Research Panel that organized: IUSSP seminar on *The health, economic and social consequences of unsafe abortion*; also presented paper; held in San Juan del Rio, Mexico, November 10-12, 2010.

Advisory meeting - strategizing on abortion research - Population Council, New Delhi, September 2010.

Global Maternal Health Conference, New Delhi, August 2010.

Advisory meeting – (abortion-related morbidity) London School of Hygiene and Tropical Medicine, July 2010.

Advisory meeting – (contraception and maternal health), Wellcome Trust, London, June 2010.

World Health Organization, Reproductive Health Research Unit, PCC annual meeting, June 2010

Singh S, Assessing the Costs and Benefits of Investing in Sexual and Reproductive Health Care: Country-specific Examples, paper presented at Women Deliver Conference, Washington DC, June 7, 2010.

FIGO (International Federation of Gynecologists and Obstetricians, Regional Meeting of Key Stakeholders from Sub-Saharan Africa, North Africa and the Middle East, and 2 regional workshops focused on post abortion care, May 12-17, 2010, Suzanne Mubarak Center for Women's Health and Development, Alexandria, Egypt.

Population Association of America, Annual Meeting, Dallas, April 2010 (presentation on abortion incidence in Ethiopia).

IUSSP General Conference, Marrakesh, Morocco, September 2009 (various sessions and roles).

FIGO Conference, Cape Town, South Africa, October 2009 (presentation on unsafe abortion worldwide).

IUSSP seminar on the interrelationships between unintended pregnancy, abortion and contraception -- chair of panel, co-organizer -- Addis Ababa, December 2008.

African Population Conference, Arusha, December 2007 (various roles).

IUSSP seminar on methodological aspects of abortion, France, November 2007 (chair of panel, co-organizer)

IUSSP Seminar on Adolescent Sexual and Reproductive Health, Mexico, 2006 (co-organizer, panel member).

Discussant, Session on Abortion in Developing Countries, International Union for the Scientific Study of Population, 2005 Conference, July 18-23, 2005, Tours, France.

Abortion-related Mortality and Morbidity Meeting: Organized day-long expert meeting on April 26th, 2005, in New York City.

World Health Organization Meeting: Participated in meeting to review evidence for birth spacing intervals on June 13th-15th, 2005, WHO, Geneva, Switzerland.

Ipas Experts Meeting on Abortion Indicators: Participated in expert meeting on October 18th-19th, 2005, in Raleigh-Durham, North Carolina.

"Characteristics of Women Seeking Abortion Services and Post-abortion Care in Nigerian Hospitals," with Stanley K. Henshaw, Isaac Adewole, Akinrinola Bankole, Boniface Oye-Adeniran, Rubina Hussain, and Gilda Sedgh, Paper presented at the International Union for the Scientific Study of Population, 2005 Conference, July 18-23, 2005, Tours, France.

"Abortions in Pakistan: Estimates from a National Study," with Zeba Sathar, and F. Fikree, Paper presented at the Population Association of America, Annual Meeting, March 31-April 2,

Philadelphia .

“Condom Use and Need for Protection against HIV among Young Men in Sub-Saharan Africa,” with Akinrinola Bankole, Paper presented at the Population Association of America, Annual Meeting, May 1-3, 2003, Minneapolis, MN.

“Trends in the timing of marriage among men and women in the developing world,” with Barbara Mensch and John Casterline, Paper presented at the Population Association of America, Annual Meeting, May 1-3, 2003, Minneapolis, MN.

Organizer and Chairperson, session on “Adolescent Sexual Behavior,” Population Association of America, Annual Meeting, May 9-11, 2002, Atlanta.

“Gender Differences in sexual and contraceptive behavior: Young people in Sub-Saharan Africa and Latin America and the Caribbean,” with Akinrinola Bankole, paper presented at International Union for the Scientific Study of Population, General Conference, August 18-24, 2001, Salvador, Brazil.

“Multiple Partnership among Adolescents as a Behavioral Risk for STDs,” with L.B. Finer. Paper presented at Population Association of America, Annual Meeting, March 23-25, 2000, Los Angeles.

Chairperson, session on “Fertility and Public Policy in Developed Economies,” Population Association of America, Annual Meeting, March 23-25, 2000, Los Angeles.

“Subsidized Family Planning Services in the United States: An Example of the Relevance of Government Support in a Low-Fertility Setting,” with J.E. Darroch and J. Frost. Paper presented at the International Union for the Scientific Study of Population Seminar on Family Planning Programmes in the 21st Century, January 17-20, 2000, Dhaka, Bangladesh.

“Utilization of Contraceptive and Reproductive Health Policies by American Women,” with N. Ranjit and J.E. Darroch. Paper presented at American Public Health Association, 127th Annual Meeting, November 7-11, 1999, Chicago.

“Adolescent Pregnancy and Childbearing: Levels and Trends in Developed Countries”, with JE Darroch and J. Frost, Paper presented at Population Association of America, Annual Meeting, March 25-27, 1999, New York.

“Gender Differences in Patterns of Early Sexual Experience: A Review of Data from 14 Countries,” with D. Wulf, RSG Samara and YP Cuca, Paper presented at Population Association of America, Annual Meeting, March 25-27, 1999, New York.

Organizer, Session on Abortion: Trends, Determinants, Consequences, Population Association of America Meeting, March 27-29, 1997, Washington, DC.

“Adolescent Childbearing and Pregnancy in Developing Countries: A Global Review,” presented at National Research Council, Committee on Population Workshop, March 24-25, 1997, Washington DC.

“The incidence of abortion: A worldwide overview focusing on methodology and on Latin America” with

- S. Henshaw, presented at IUSSP seminar on Socio-cultural and Political Aspects of Abortion from an Anthropological Perspective, Trivandrum, India, March 25-28, 1996.
- “Levels of childbearing, contraception and abortion in Brazil: Differentials by women's poverty status,” with M. Monteiro, presented at IUSSP seminar on Women, Poverty and Demographic Change, Oaxaca, October 25-28, 1994.
- Participant and co-organizer of Conference on Abortion in Latin America, Bogota, November 1994.
- Discussant, Session on Abortion, Population Association of America Meeting, May 5-7, 1994, Miami.
- Chairperson, Session on "Health and Social Aspects of Induced Abortion", General Conference International Union for the Scientific Study of Population, August 24-September 1, 1993, Montreal.
- “Causes and Consequences of Unintended Pregnancy in the United States”, Organizer, Population Association of America, Annual Meeting, April 1-3, Cincinnati.
- “Programmatic Topics in Family Planning - II,” Discussant, Demographic and Health Surveys World Conference, Washington D.C., 1991.
- “Fertility Decline and Changes in Proximate Determinants in the Latin American Region,” L. Moreno, presented at IUSSP Seminar on "Fertility Transition in Latin America," Buenos Aires, 1990.
- “Estimation of the Level of Abortion Using Health Statistics Data in Three Latin American Countries,” with D. Wulf, presented at the Population Association of America Meeting, Toronto, 1990.
- “Adolescent Reproductive Behaviour and Women's Status”, presented at the United Nations Expert Group Meeting on Population and Women, June 22-26, 1993, Gaborone, Botswana.
- Participant in Informal Consultation Meeting on "Women's views on Reproduction", held by the Population Council, April 19, 1993, New York.
- “Differentials in the Use of Prenatal Care in the United States, Mid-1980s: State and County Estimates,” with J.D. Forrest, presented at the Population Association of America Meeting, Toronto, 1990.
- “Institutional Constraints on the Provision of Family Planning Services in Latin America,” with D. Berrio, presented at IUSSP Seminar on “The Role of Family Planning Programs as a Fertility Determinant,” Tunisia, 1989.
- "Marriage Systems and Demographic Change," Organizer, Session of the XXIst General Conference of the IUSSP, New Delhi, 1989.
- "Barriers to the Use of Contraception in Four U.S. Cities: Results from Focus Groups," with J. Silverman, presented at Population Association of America, Annual Meeting, San Francisco, CA, 1986.
- “Hispanic Adolescents and Contraception: Data from the NSFG,” with A. Torres, presented at the American Public Health Association 113th Annual Meeting, Washington, D.C., November 1985.
- “Reporting of Prenatal Care in the National Natality Survey, the Vital Statistics and the National Survey of Family Growth,” with J.D. Forrest, presented at the American Public Health Association 113th

Annual Meeting, Washington, D.C., November 1985.

“Reasons for Variation in Teenage Childbearing Among the States,” presented at the American Public Health Association 113th Annual Meeting, Washington, D.C., November 1985.

“Reporting of Prenatal Care in the National Natality Survey, the Vital Statistics and the National Survey of Family Growth,” with J.D. Forrest, presented at the American Statistical Association Annual Meeting, 1985, Las Vegas, August 1985.

“Infertility, Fecundability and the Postpartum Non-susceptible Period,” with G. Santow, presented at IUSSP Seminar on “Integrating the Proximate Determinants into Analysis of Fertility levels and Trends,” London, 1984.
